FIGO

INTERNATIONAL FEDERATION
OF
GYNECOLOGY & OBSTETRICS

WELCOME MESSAGE

Dear Sponsors and Exhibitors,

It is with great pleasure that the International Federation of Gynecology and Obstetrics (FIGO) invites you to participate in the FIGO Regional Conference of Middle East and Africa scheduled to take place in Dubai, United Arab Emirates from 11 to 13 April 2018.

This regional conference organised together with African Federation of Obstetrics and Gynaecology (AFOG), the Emirates Medical Association (EMA) and the Federation of Arab Gynecology and Obstetrics Societies (FAGOS) will be held at the InterContinental Hotel Dubai Festival City - which offers excellent facilities for all delegates and is efficiently connected to other parts of the city and airport by public transport.

The scientific programme will focus on the issues faced by the obstetricians and gynaecologists in the region. It will cover cutting edge topics in daily practice, the most recent development and management of the rapidly evolving health care requirements, as well as the crucial challenges concerning low resource countries.

By sponsoring or exhibiting at the FIGO Regional Conference of Middle East and Africa, you will be able to interact with participants face to face and develop high level, long term contacts with them, showcase your work, learn about the latest developments in the field and raise your brand awareness on an international stage.

We hope to see you in Dubai in April 2018!

Professor CN Purandare
FIGO President

ABOUT FIGO

The International Federation of Gynecology and Obstetrics (FIGO) is the only worldwide non profit organization that groups obstetricians and gynecologists. It has member associations in 130 countries/territories. FIGO is the global voice on women's health and is in official relations with the World Health Organization (WHO) and the United Nations (UN).

VISION

FIGO has a vision that women of the world achieve the highest possible standards of physical, mental, reproductive and sexual health and wellbeing throughout their lives.

MISSION

FIGO is a professional organisation that brings together obstetrical and gynecological associations from all over the world. FIGO is dedicated to the improvement of women's health and rights and to the reduction of disparities in healthcare available to women and newborns, as well as to advancing the science and practice of obstetrics and gynecology. The organisation pursues its mission through advocacy, programmatic activities, capacity strengthening of Member Associations, education and training.

FIGO'S OVERALL GOALS:

- To improve the health and wellbeing of women and newborn children worldwide.
- To raise the status of women and enable their active participation to achieve their reproductive and sexual rights with access to efficient education and services throughout their life cycle;
- And to upgrade the practice of obstetrics and gynecology through education, training and research to maintain a high standard of professionalism and ethical adherence.

FIGO's considerable global achievements include a staging system for gynecologic tumours (used in hospitals worldwide); ethical guidelines; harmonisation of scientific terminology; numerous General Assembly resolutions; and various major maternal and newborn health initiatives funded by major global donor bodies.
